To the Shareholders and, for information only, the holders of the share options of the Company

Dear Sir/Madam,

GENERAL MANDATES TO REPURCHASE AND ISSUE SHARES AND RE-ELECTION OF DIRECTORS

INTRODUCTION

The purpose of this circular is to provide you with information regarding certain ordinary resolutions to be proposed at the Annual General Meeting to enable you to make an informed decision on whether to vote for or against those resolutions.

At the Annual General Meeting, resolutions will be proposed for the Shareholders to approve, among other things, the general mandates to be given to the Directors to exercise all the powers to repurchase fully paid up Shares and to issue new Shares.

GENERAL MANDATES TO REPURCHASE SHARES AND TO ISSUE NEW SHARES

General mandate to repurchase Shares

At the Annual General Meeting, an ordinary resolution will be proposed that the Directors be given the Repurchase Mandate. Under the Repurchase Mandate, the maximum number of Shares that the Company may repurchase shall not exceed 10% of the issued share capital of the Company as at the date of passing of the ordinary resolution in relation thereof. The Company's authority is restricted to repurchase the Shares on the market in accordance with the Listing Rules. The mandate allows the Company to make repurchases only during the period ending on the earliest of the date of the next annual general meeting of the Company following the passing of the ordinary resolution

referred to herein, the date by which the next annual general meeting of the Company is required to be held by the Articles or any applicable laws and the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

In accordance with the Listing Rules, this circular also serves as an explanatory statement to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the proposed ordinary resolution for the grant of the Repurchase Mandate at the Annual General Meeting.

General mandate to issue new Shares

At the Annual General Meeting, an ordinary resolution will also be proposed that the Directors be given the General Mandate in order to ensure flexibility and discretion to the Directors to issue up to 84,505,046 new Shares, being the Shares not exceeding in aggregate 20% of the aggregate nominal amount of the share capital of the Company in issue as at the date of the passing of the relevant resolution and on the basis that none of the outstanding share options is exercised and no further Shares is issued, allotted or repurchased by the Company prior to the Annual General Meeting. In addition, an ordinary resolution will also be proposed to extend the General Mandate by adding to it the number of such Shares repurchased under the Repurchase Mandate.

Reasons for Shares repurchase

Although the Directors have no present intention of exercising the Repurchase Mandate, they believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company and the Shareholders. At any time in the future when the Shares are trading at a discount to their underlying value, the ability of the Company to repurchase the Shares will be beneficial to the Shareholders who retain their investment in the Company as their percentage interest in the assets of the Company would increase in proportion to the number of the Shares repurchased by the Company from time to time and thereby resulting in an increase in net assets and/or earnings per share of the Company. Such repurchases will only be made when the Directors believe that such exercises will benefit the Company and the Shareholders as a whole.

Share capital

As at the Latest Practicable Date, the Company had 422,525,230 Shares in issue or an issued share capital of HK$42,252,523. As at the Latest Practicable Date, there were 41,780,000 share options outstanding under the Share Option Scheme entitling the holders thereof to subscribe for an aggregate of 41,780,000 Shares.

Subject to the passing of the proposed ordinary resolution approving the Repurchase Mandate and on the basis that none of the outstanding share options is exercised and no further Shares is issued, allotted or repurchased by the Company prior to the Annual General Meeting, the exercise of the Repurchase Mandate in full would result in up to a maximum of 42,252,523 Shares, representing the share capital of HK$4,225,252.30, being repurchased by the Company during the period prior to the earliest of (i) the next annual general meeting of the Company following the passing of the ordinary resolution referred to herein; (ii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company; and (iii) the date by which the next annual general meeting of the Company is required to be held by the Articles or any applicable laws.

Funding of repurchase

The Directors propose that repurchases of the Shares under the Repurchase Mandate in these circumstances would be financed from the Company's internal resources.

In repurchasing the Shares, the Company may only apply funds legally available for such purposes in accordance with the memorandum of association and the Articles and the applicable laws of the Cayman Islands. The laws of the Cayman Islands provide that a repurchase of shares may only be effected using funds representing profits of the company or the proceeds of a fresh issue of shares made for the purpose of the redemption, or, subject to the solvency requirements, out of capital. Any premium payable on a redemption or repurchase of shares must have been provided for out of the company's profits or its share premium account before or at the time of repurchase, or subject to the solvency requirement, may be paid out of capital. It is envisaged that the funds required for any repurchase of the Shares would be derived from the capital paid up on the Shares being repurchased and from the distributable profits of the Company.

The exercise of the Repurchase Mandate in full will not have a material adverse impact on the working capital or the gearing level of the Company (as compared with the position disclosed in the latest published audited accounts of the Company as at 31 December 2004).

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or the gearing level of the Company (as compared with the position disclosed in the latest published audited accounts of the Company as at 31 December 2004) which in the opinion of the Directors are from time to time appropriate for the Company. The number of the Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

Shares repurchased by the Company

The Company did not repurchase any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

Disclosure of interests

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective associates has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries (as defined in the Companies Ordinance (Chapter 32 of the Laws of Hong Kong)).

No connected person has notified the Company that he/she has a present intention to sell any Shares to the Company, nor has undertaken not to sell any of the Shares held by him/her to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.

Takeovers Code

If, as a result of shares repurchase by a company, a shareholder's proportionate interest in the voting rights of the company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a shareholder, or group of shareholders acting in concert, could obtain or consolidate control of the company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the substantial shareholders, together with their respective associates, were interested in an aggregate of 86,261,941 Shares, representing approximately 20.42% of the issued share capital of the Company. In the event that the Directors exercise the Repurchase Mandate in full to repurchase the Shares in accordance with the terms of the ordinary resolution to be proposed at the Annual General Meeting and assuming no further Shares is issued, allotted or repurchased by the Company, the interests of the substantial shareholders, together with their respective associates, in the issued share capital of the Company will be increased from approximately 20.42% to approximately 22.68%. The Directors are not aware of any consequence which will arise under the Takeovers Code as a result of any repurchase to be made under the Repurchase Mandate. However, the Company may not repurchase the Shares which would result in the amount of the Shares held by the public being reduced to less than 25%.

Assuming that there is no further issue of the Shares between the Latest Practicable Date and the date of repurchase, the exercise of Repurchase Mandate whether in whole or in part will not result in less than 25% of the issued share capital of the Company being held by the public as required by Rule 8.08 of the Listing Rules. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed percentage.

RE-ELECTION OF DIRECTORS

Biographical details of the Directors who are proposed to be re-elected at the Annual General Meeting are set out in the 2004 annual report of the Company.

ANNUAL GENERAL MEETING AND PROXY ARRANGEMENT

A notice convening the Annual General Meeting is set out in the 2004 annual report of the Company. At the Annual General Meeting, in addition to the ordinary business of the meeting, resolutions will be proposed to approve the grant of the General Mandate and the Repurchase Mandate.

A form of proxy for use by the Shareholders at the Annual General Meeting is enclosed with the 2004 annual report of the Company which has been despatched to the Shareholders together with this circular. Whether or not you intend to attend and vote at the Annual General Meeting in person, you are requested to complete the form of proxy enclosed with the 2004 annual report of the Company in accordance with the instructions printed thereon and return it to the branch share registrar and transfer office of the Company in Hong Kong, Tengis Limited at G/F., Bank of East Asia Harbour View Centre, 56 Gloucester Road, Wanchai, Hong Kong, as soon as practicable but in any event, not less than 48 hours before the time appointed for holding the Annual General Meeting. Such form of proxy for use at the Annual General Meeting is also published on the website of the Stock Exchange (www.hkex.com.hk). Completion and return of the form of proxy will not preclude you from attending and voting in person at the Annual General Meeting should you so wish.

RIGHT TO DEMAND A POLL

Pursuant to Article 69, every resolution submitted to a general meeting shall be determined on a show of hands in the first instance by the Shareholders present in person or by proxy or by authorised representative, but a poll may be demanded (before or on the declaration of the result of the show of hands) by the chairman of the general meeting or by:

(a) at least 3 Shareholders present in person or by proxy or by authorised representative for the time being entitled to vote at the general meeting; or

(b) any Shareholder or Shareholders present in person or by proxy or by authorised representative and representing not less than one-tenth of the total voting rights of all the Shareholders having the right to attend and vote at the general meeting; or

RECOMMENDATION

The Directors consider that (i) the proposed grant of the Repurchase Mandate and the General Mandate to the Directors; and (ii) the re-election of the Directors, are in the best interests of the Company and the Shareholders as a whole and, accordingly, the Directors recommend all Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting in respect thereof.
